## Personal Profile

I consider myself a dedicated student with a passion for both chemistry and biology. I intend to apply these subjects along with the rest of my skills in order to directly improve the lives of others. Being in a fraternity, I have a lot of experience working with large groups of people, small committees, and individuals. I enjoy being an important part of decision making and taking leadership roles. I am interested in obtaining a summer research internship in the biochemical field.

---

## Education

### Trine University

**Major: Chemical Engineering**

**Minors: Bioprocess Engineering & Biology**

*Fall 2010-Present*

- 4.0 GPA
  - President's List (all semesters)
  - Freshman Chemical Engineer of the Year (spring 2011)
  - Related Courses: Chemistry I & II, Organic Chemistry with Lab, Material Balances, Plant Biology, Differential Equations, Physics I & II, Calculus I-III, Probability & Statistics
- 

## Honors

### Phi Eta Sigma

Freshman Honor Society

Spring 2011-Present

### Order of Omega

Greek Honor Society

Fall 2011-Present

### Tau Beta Pi

Engineering Honor Society

Fall 2011-Present

---

## Activities

### American Institute of Chemical Engineers (AIChE)

Fall 2010-Present

- National Chem-E-Car Competition team member

### Kappa Sigma Fraternity

Spring 2011-Present

- Scholastics Officer
- Inter Fraternity Council (IFC) Representative

### IFC Secretary

Fall 2011

- Scholastics Committee Chair
